

FOR IMMEDIATE RELEASE:

Chicago, Ill - Nominate a deserving environmentalist in one of 12 categories for your **Community Environmental Hall of Fame®**. You can also nominate a deserving environmentalist for your **State Environmental Hall of Fame®**. Students and other deserving individuals can be nominated to receive the **Hope Award® (Hero of Planet Earth Award)**.

The categories for nomination below are based upon the 12 **Green Megatrends**. **Nomination are not limited to the categories below:**

Climate Change Awareness
Energy Conservation
Energy Independence
Environmental Stewardship
Green Giving
Green Transportation
National Green Buildings or Business
Renewable Energy
Solar Energy
Sustainable Agriculture and Forests
Sustainable Cities
Sustainable Education
Water Energy and Quality

Your **Community Environmental Hall of Fame®** is affiliated with the [National Environmental Hall of Fame®](#), which has given national awards to Harrison Ford, Pierce Brosnan, Art Linkletter, Ed Begley, Jr and William McDonough and other top environmentalists (see environmentalhalloffame.org)

Please send us links regarding the environmentalist you wish to nominate
Photos of local environmentalists receiving their award will be placed in your **Community and State Environmental Hall of Fame® Gallery** on our website.
