Dear Mr. & Ms. Shuquist:

On behalf of the City of Austin Solid Waste Services Department, we are honored to have our inaugural One Green Step event recognized by the National Environmental Hall of Fame. We know there are many demands on your schedule and appreciate that you took time out of your weekend to join us. Your recognition is a validation of the values we share and the hard work and dedication of the Solid Waste Services staff. We are pleased that the National Environmental Hall of Fame recognizes the progressive environmental culture of the Austin community.

We hope to continue the One Green Step message and make this an annual event. Your credentials and recognition as leaders within the environmental movement makes receiving the award from you even more of an honor. Thank your for this very special recognition.

Sincerely,

Bob Gedert
SWS Director
