Mr. Mario Rossero  
Director of Arts  
Department of Arts Education  
CPS Office of Curriculum and Instruction  
125 S. Clark St, 11<sup>th</sup> Floor  
Chicago IL 60603

Dear Mr. Rossero,

I am writing this letter to offer my support for the effort to organize the World's Largest Display of Environment Art on Earth Day 2013. It will be great to showcase thousands of pieces of art from CPS students in an attempt to set a world record.

Chicago is a leading city on sustainability and these themes have long been a part of our city – from protecting the lakefront over 150 years ago to making buildings energy efficient today. I applaud your engaging way of bringing many students into that heritage.

Congratulations for bringing this effort to Chicago and please let me know how I can assist.

Kind regards,

Karen
